

**Hello and
welcome back
to P58 (part 2).**

There's no need for much of an introduction here, except to say that this is part 2 of a 2-part series. Make sure you listen to part 1 first. You'll find it in the list, just before this one.

This is a story episode. In part 1 I read the story to

you - a funny, slightly twisted version of the traditional fairytale of Little Red Riding Hood. We went through some vocabulary from that story.

But here in this part we're going to do pronunciation practice - firstly with some rhyming vowel sounds which are used throughout the story, and secondly you

can just practise telling the story by repeating after me, trying to get the rhythm right, stressing the right words.

Rhyming Vowel Sounds

This story contains lots of words that have rhyming vowel sounds and they link together to make the story flow in a satisfying and humorous way.

Task: Can you match the different words in the list (below) to the different phonemes (vowel sounds) in the table?

To help, I will let you get to know the vowel sounds a bit first.

Let's look at the table with 11 vowel sounds in it. I will

read the sounds and the guide words one by one. Repeat them after me and notice how they sound and the position of your mouth.

- Position of the jaw (up or down)
- Shape of the lips (wide or narrow)
- Is the vowel a double sound, with movement?

Or a single sound with no movement?

1. /ɪ/ hit, sit	2. /ʊ/ book, look	3. /ɪə/ ear, hear, here, beer	4. /e/ <u>e</u> leph ant, regre <u>t</u>
5. /ɔː/	6. /əʊ/	7. /æ/ up, touch	8. /ʌ/ up, touch

door, law, your	oh no, phone	cat, relax, map	
9. /ɑ:/ car, graph, blast	10. /eə/ there, share, fair, stare	11. /aɪ/ hi, buy, my	

Can you match the underlined vowel sounds in these words (👉 A-HH) from the story, to the phonemes (👆 1-11) in the table?

A. b <u>i</u> te	M. Grandma mma <u>a</u>	Y.right
B. cavi <u>a</u> r	N. Gr <u>i</u> n	Z.said

K. en <u>o</u> ugh	W. N <u>o</u> te	
L.fe <u>e</u> l	X.r <u>e</u> d	

Listen to me say the words and try to match them to the right phonemes. You will need to pause the podcast to do this exercise.

If that isn't convenient right now, and you can't pause to do the exercise, no worries. Just keep listening and I will go through the answers, and you can try to

just repeat them after me
and notice what I am point
out.

Answers

Here are the answers to the
task. Repeat all the words
after me a few times, to try
to get the sounds the same
as me.

**Pronunciation - Listen &
Repeat**

Now repeat the story after me. We'll do them two lines at a time. The **bold** parts show the stressed syllables.

**LITTLE RED RIDING
HOOD AND THE WOLF
by Roald Dahl**

As soon as **Wolf** began to
feel

That **he** would like a
decent **meal**,

He went and knocked on
Grandma's door.

When Grandma opened it,
she **saw**

The sharp white **teeth**, the
horrid **grin**,

And Wolfie **said**, 'May I
come **in?**'

Poor **Grandmamma** was
terrified,

'He's going to eat me **up!**'
she **cried.**

And she was **absolutely**
right.

He ate her **up** in one big
bite.

But **Grandmamma** was
small and tough,

And **Wolfie** wailed, 'That's
not enough!

'I haven't **yet** begun to **feel**

That I have **had** a decent
meal!

He **ran** around the kitchen
yelping,

I've **got** to have another
helping!

Then **added** with a
frightful leer,

'I'm **therefore** going to
wait right **here**

'Till Little Miss Red **Riding**
Hood

**'Comes home from
walking in the wood.'**

**He quickly put on
Grandma's clothes,**

**(Of course he hadn't eaten
those.)**

**He dressed himself in coat
and hat.**

**He put on shoes and after
that**

**He even brushed and
curled his hair,**

**Then sat himself in
Grandma's chair.**

**In came the little girl in
red.**

**She stopped. She started.
And then she said,**

**'What great big ears you
have, Grandma.'**

**'All the better to hear you
with,' the Wolf replied.**

**'What great big eyes you
have, Grandma,'**

said Little Red Riding Hood.

'All the better to see you with,' the Wolf replied.

He sat there watching her and smiled.

He thought, I'm going to eat this child.

Compared with her old Grandmamma

She's going to taste like caviare.

Then Little Red Riding
Hood **said**, 'But **Grandma**,
what a lovely great big
furry **coat** you have on.'

'That's **wrong!**' cried Wolf.

'Have you forgot

'To tell me what **BIG**
TEETH I've got?

'Ah **well**, no matter **what**
you say,

'I'm going to **eat** you
anyway!

The small girl **smiles**. One **eyelid flickers**.

She whips a **pistol** from her **knickers**.

She **aims** it at the creature's **head**

And **bang bang bang**, she **shoots** him **dead**.

A few weeks later, in the **wood**,

I came across Miss **Riding Hood**.

**But what a change! No
cloak of red,
No silly hood upon her
head.**

**She said, 'Hello, and do
please note**

**'My lovely furry
WOLFSKIN COAT.'**

Moral of the story:

**Don't talk to strangers,
especially creepy looking**

wolves which you meet in
the forest.

And always carry a pistol in
your knickers.
